# Fabian Carrillo

A software engineer with a passion for problem solving and technology looking for a position as a full-stack developer. Experience with M.E.R.N stack and looking forward to learning new tech stacks.

## Cook

Corner Bakery Cafe  
2010 - 2012

Cooking was my first job. I excelled and was promoted to lead cook within a couple of months. Was given compliments for showing initiative, being a fast worker, and being reliable.

## Driver

Lyft  
2016 - current

Currently still driving for Lyft giving transportation to people. I thrive to give the best customer experience and safe as well.

## Full-Stack Dev

ThriveDX Education  
2022 - 2023

I took an 8 month extended course on Full Stack Development focusing on M.E.R.N Stack. Programmed several Full stack & React apps. Including Redux and security using JWT and cookies. Used databases such as MongoDB and PostgreSQL to query data and for data manipulation. Was also introduced to DevOps AWS, and Python.

## Education
